Introduction

This is a designation notice issued by the Commissioner of the Timor-Leste Revenue Service (TLRS) under section 68 of UNTAET Regulation 2000/18 (as amended).

Section 31.4 of UNTAET Regulation 2000/18 (as amended) requires all persons (employers) who have withheld wage income tax under Section 30 of the Regulation to deliver to the Timor-Leste Revenue Service a completed annual wage income tax withholding information form by the last day of February following the end of the tax year to which it relates.

In the interest of efficient taxation administration and to ease the burden on taxpayers to comply with the requirements of the taxation legislation this Designation Notice designates that the due date for the lodgement of the 2007 annual wage income tax withholding information form, and payment of any associated outstanding wage income tax, has been extended to 15 March 2008. This due date for lodgement of the annual wage income tax withholding information form is now consistent with the due date for lodgement of the 2007 Annual Income Tax Form.

Designation:
